I want to eat curry udon.

The authentic kind.

I wonder what curry-flavoured udon tastes like...

An udon restaurant, of course.

A fusion restaurant or a western one?

WHERE... WHERE CAN WE EAT THAT?

WHERE DO YOU WANT TO GO NEXT WEEK?

Ah, about that...

But I need to  
tell him.

I can't possibly  
treat it as if  
nothing hap-  
pened.

I miss him.

I don't want  
to tell him.

I'm afraid to  
tell him.

sit.

It's really  
cold outside,

I like him so

just by look-  
ing at his  
face,

all my troubles and  
worries miraculously  
disappear.

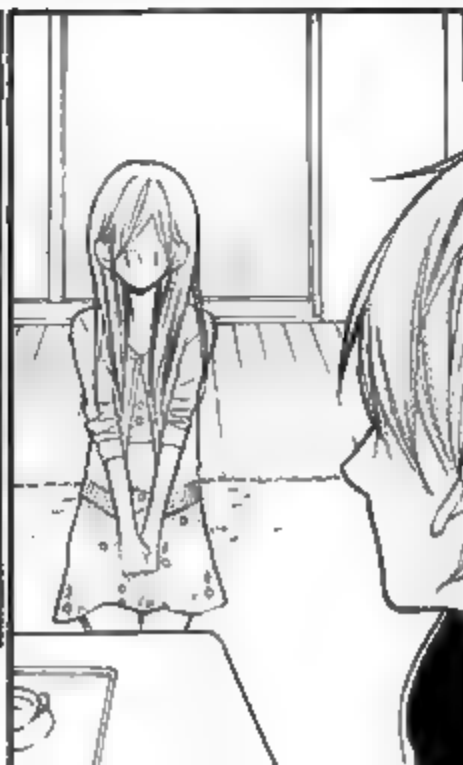

But today...

...I need to tell him  
about what happened  
between Gojou-kun  
and I.

DO YOU WANT  
TO COME TO MY  
HOUSE?

HANA-KUN,

...SOMEHOW,  
IT FEELS  
LIKE...
